

Resolution in Support of the Kellogg's Workers

Whereas: The Bakers Confectionery Tobacco Grain Millers Union (BCTGM) went on strike on October 8th at all Kellogg facilities in the United States;

Whereas: The BCTGM is seeking to end the two tier wage system that harms young workers;

Whereas: Kellogg's has refused to negotiate in good faith and is in the process of permanently hiring strike replacement workers;

Whereas: Kellogg's has reported revenue of over \$13 billion during the pandemic while denying wage increases;

Whereas: The Young Democrats of America affirmed our support for workers in our 2021-2023 Platform;

Therefore be it resolved: The Young Democrats of America stand in solidarity with The Bakers Confectionery Tobacco Grain Millers Union in their strike against the Kellogg's Company.
